Sept. 26th, 1917.

Sir Robert A. Falconer,
President, University of Toronto,
City.

Dear Sir Robert,-

You have no doubt received the enclosed notice. As this is a very important meeting and may have far reaching consequences so far as Toronto is concerned, I earnestly hope you will be able to attend, or if not, be good enough to write Sir William Mulock giving him your views on the question of further voluntary contributions.

Yours very truly.

Encl.
